

WANNA KNOW SOMETHING SCARY?

1 IN 7 kids in the US don't know where their next meal is coming from.

Let's change that this Halloween.

The Trick-Or-Canned-Goods Club is flipping the script on Halloween by trading candy for cans. It's simple: Instead of knocking on doors and shouting "Trick-or-treat!" we ask our neighbors to give us canned goods already in their pantries, which we pass along to our local food bank.

If you're down to ditch the pillowcase and fill some bellies this year, take the pledge at [TOCG.club](https://www.tocg.club).
